About Rob Dolan Wines

After 25 years of making wine for some of Australia's most iconic wineries, our fearless leader (and local legend!) Rob, made the decision to channel his creative energy into his own label. And so, Rob Dolan Wines was born.

Rob's belief in creating wines of real character flows through everything we do. Our wine, therefore, is varietally and regionally expressive - a true reflection of everything we love about our home in the Yarra Valley.
